**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am retired, and my son recommended that I use Sonic, a small local service, for my home computer and other internet needs. I have been very satisfied with them. I can talk to a person in their Santa Rosa office anytime I have a question, and they have helped me several times.

I don't want to switch to a bigger company where my business will be less important to them, and they can raise prices on me anytime they want to and I can't do anything about it.

Don't help big business keep the little guys down--consumers lose, and our democracy is weakened.
